Dear Partners,

August 14, 2012

One of the joys of my job is opening the mail. Granted, I get a lot of junk to look through, but sometimes I get letters that make me smile. As you know by now, we celebrated the Flying H Youth Ranch's 50th anniversary on July 28th. We were blessed to have over 400 people come. Some new friends, some old friends. As a result of that day, I have been able to open some letters of encouragement and thanks. We thought you would enjoy seeing pictures from our celebration and hear what others said about the day.

Gregg Hires started our day with some history of the ranch, and proudly displayed his father's hat. Because of the vision that Rev. Hires had, we were able to celebrate this momentous occasion.

Here are some quotes from letters we have received:

"Thank you for hosting such a terrific event, we had a fabulous time"

(Harry Kwak)

"The Ranch looked great and the food was wonderful."

"It was great! Although I didn't know some of the people, I know the sweat, blood, and tears that keep the Ranch productive."

(Terry Fike and Norris Williams)

"Thank you for the great program, the great food and the opportunity to re-connect with old friends. Most of all, it's great to see the lives God is changing."

“Mrs. Simmons is thee sweetest lady I have ever known. I was there in 95 and had quite the life change. I love you all!”

(Patti Simmons and Steve Alumbaugh)

(Jim Fried and Pete Smith)

(Mike Healy)

(Bob Hostetler)

Well, I hope this gives you a little glimpse into our wonderful day! Thank you to all who participated and for your many prayers and financial support for “all these years!” May God continue to bless the Flying H Youth Ranch for 50+ more years!

Blessings,
