## Facilities Improvements:

Our big project this year was re-doing the interior of our lodge building. Thanks to Scott and Melanie Eilts, and our Volunteers, for all their hard work.

This is our new ceiling.

We have been able to order new carpet, so it will be installed in the near future. We still desire to update our curtains to finish the whole project. Would you consider donating to help us?

Another big project was clearing land and removing our old barn to start getting an arena set up. Clay & Wendi Griffith and the boys have been super busy with this project.

I know that I am saying this again, we thank you very much for joining us in the Lord's work at the Flying H Youth Ranch. We know that with continued prayer and financial support, as God leads and provides, the work with the boys will continue. We love these boys that God sends to us and our desire is to see them make heart changes that will last them a lifetime. Many of you send your financial support to help our staff families, and some of you send your funds to help a boy and family in need, but all of you we know are praying. To all of you, I want to say thank you again and again. We appreciate the opportunity of serving our Lord in this way.

In His Service,

*Steven L. Alumbaugh*

### **Praises:**

-We praise God for the way all the men staff are taking up the slack, while our administrator recovers from a recent medical emergency. We are also so grateful for God's protection on Steve during this time.

-VOLUNTEERS!!!! There are so many projects that we wouldn't be able to complete without our volunteers. Recently, we have had a lot of our brush cleared away from the sides of our roads, making it safer for kids at play, and passing cars.

### **Prayer Requests/Needs:**

Dear Friends and supporters of the Flying H Ranch,

First of all, we as a Board would like to thank you for your interest in and support of this ministry. Without such friends and partners as these, this ministry would not exist. Because of this interest, we would ask that you join with us in prayer for someone to serve as Administrator of the ministry. For the past few years, Steve Alumbaugh has been serving as both Administrator and Business Manager. It has been impossible to do both of these responsibilities justice. We believe the Lord would have us seek a believer who has not only the gifting of administration, can lead the staff and help to maintain the cohesiveness of the program, but also has the heart of a shepherd who can relate well to the staff and assist them as they face daily the difficulties of such a ministry as this. Would you please make this need a matter of prayer as we seek the Lord's leading to just the right person? Thank you again for standing with us.

Yours in His service,

The Flying H Board, Pete Smith, chairman
