

and tear on your bodies. Thank you, intercessors, for your prayers on behalf of our facility needs, our staff, and our boys and their families....there have been hundreds over the years.

Flying H Youth Ranch 370 Flying H Loop Naches, WA 98937

You can't put a price tag on God's love. On the other hand, you *can* put a price tag on what it costs to paint a home, build additional cattle fencing, expand a horse arena, or construct a building addition. What do these have to do with God's priceless love? Everything. They are, indeed, the very evidence of God's love as demonstrated by our partners in the ministry of the Flying H Youth Ranch.

The Flying H Youth Ranch ministry has been devoted to investing in the lives of troubled teen boys and their families for fifty-three years. Over the years, countless visitors have ended their visits with comments like these: *"The Ranch has never looked so*

*good."* *"Wow, what a beautiful setting in which to have a program like this."* *"I had no idea that something like this existed."* *"I wish that my son could*

Thank you financial supporters, for the monies you have donated for the projects which are never ending in a facility like the Ranch. Thank you, volunteers, for your time, your expertise, and the wear

*have come here."*

**We have an AWESOME GOD !!!!!!!!!!**

**In His service,**

**Steven L. Alumbaugh , Administrator**

**And from previous Ranch boys, *"This is the place that changed my life. I came back to show my family where it all happened."***

**One of our staff families have entitled their personal newsletter, "Hands and Feet" ....how appropriate. That is exactly what you have been to this ministry, Christ's hands and His feet, ministering according to your gifting and out of your blessings....thank you!**
