Flying H Youth Ranch

Flying H Youth Ranch 370 Flying H Loop Naches, WA 98937

Spring is an exciting time here at the Flying H. Everything is returning to green after long winter months of bare trees and snowy ground. We are irrigating our fields, mowing our growing lawns and cutting away trees and limbs from winter damage. Winter is beautiful, but it is yielding at last to the fresh green beauties of spring. Warm weather returns at last!

The boys are very excited for the approaching end of the school year. Many will finish strong while other's attention tends to drift to summer activities. Some of these activities have already begun. We recently took a trip to the Yakima Firing Center; a huge military mechanic and training facility. The boys and staff had a great time on the tour, climbing on and in Howitzers, Humvees and Abrams tanks. The boys were very excited as the men leading the tour informed us that the units we were climbing on were fully-functioning and combat-ready.

We are preparing for a couple summer graduations. Brendan and Jesse will both be graduating the program this summer. Please be praying for these boys as they are poised to return to their families and friends and begin the next phase in their lives. We also have several young men coming into the program in a couple months. Please pray for them as well, as it is always a difficult transition.

God is good and we are seeing the results of His word being planted into the hearts of these young men. It is a challenge to be content with sometimes only being the *seed-planter*. It often takes many months; sometimes years before we hear back from our former residents about their commitments to the Lord. Sometimes it takes them hitting rock-bottom before they finally turn to Him. But the common thread seems to be that they come to a place of realizing their need for reconciliation to the God they heard about at the Flying H; the God of healing and restoration. Let us praise Him for the work He is doing, and continue to pray for the furthering of His kingdom here at the Flying H, and in *all* of those whose hearts have not yet turned to Him!
