Dear Friends, Family, Supporters of the Flying H Youth Ranch,

Blessings to you from the Flying H! Once the cherry orchards are bare of fruit and a colder bite dominates the early morning air; once talk of the last hay cutting is banded and the pumpkins have turned a golden orange; once preseason football returns and the boys begin getting edgy for a game of their own, it can all only mean one thing... summer is coming to an end and fall is approaching!

By the grace of God and His many blessings, it has once more been a successful summer at the Flying H Youth Ranch. The 8-day Survival Hike was a great success. We got through a tire blowout at 70 MPH and we medicated more beestings than I could count on both hands and feet. We conquered thousands of feet of elevation, off-trail excursions, and gnawing hunger. We survived! This year we went into the Sawtooth Wilderness North of Chelan. That place is enough to take your breath away, both in how beautiful it is, and in how rugged. We thought there might be a resident-revolt at one point, when the boys were once more told to pack up and follow us on to the next lake. Still, they decided to obey and to make the most out of the experience. What a great opportunity to be out in nature and to experience God's creation!

Likely these boys would never have taken such a trip outside of the Flying H. Much thanks to Aaron Hunting and the staff who put so much time and effort into 8-day preparation.

Now our preparations turn to the deep blue where we will be sea fishing in a couple weeks. Please be praying for overall safety, successful fishing, *and calm stomachs*.

Of course, the end of summer means that Fall Resolve is upcoming. This is always an enjoyable time, and the boys love it too, because Resolve time means they get to go home! Please be praying for all the preparations and volunteers as they come in and pour themselves into making Fall Resolve an awesome experience. Of course, Resolve

wouldn't be complete without an apple pressing!

Now is our quarterly opportunity to tell all of you how much we value your prayerful and financial support, as well as those of you who volunteer so much of your time and effort to this great cause of ours. You supporters keep this ministry going. You are the ones who allow us to continue to operate. You who pray; who beseech the heavens on our behalf... we couldn't do it without you!

Please continue praying for the Wagners as they adjust into their new role, and for each staff family as they do this work, as well as for new financial and prayer partners, that God would move on additional hearts to stand beside us in this awesome ministry. We pray God's anointing and His blessing over each and every one of you in this coming season!
