

# Prayer/Praises: April

## **Praises:**

- The Staff went away for our annual Staff Retreat. It was a great time to get away for fellowship, a little teaching time, and relaxing.
- We have been seeing changes in the boys who professed to be believers. Pray for their continued growth.
- We were given bred cows, and 2 have given birth. We are able to continue providing meat for the ranch with this.
- AB completed the program, and graduated from high school in March. Please keep him in your prayers as he enters a new phase of life.

## **Needs:**

- We are still in great need of work trucks. Do you have a truck that you would like to donate to the ranch; we will issue a tax deductible receipt for it. It doesn't have to be pretty, it just needs to run.
- We have been given almost half the amount of money we need for our new security system.
- One of our favorite pastimes for the boys is basketball. We really could use new backboards and rims, for our gym. After all these years ours are wearing out.

## **Prayer Requests:**

- Summer is our busiest time of year, and potentially the most dangerous. Please keep our boys and staff in your prayers, for safety this summer, as they have hikes, swimming, doing hay, wood trips, working outside etc.
- Please keep praying for Josh & Lisa Francis, and Steve & Gina Armstrong. They are in the support raising stage and we would love to have them join us by this summer.
