

## Prayer/Praises : December

### *Flying H Youth Ranch*

#### **Prayer Requests:**

\*Please keep one of our Board members and one of our staff members in prayer. Pete and Kris each had shoulder surgery, pray for both of them as they recover.

\* Pray for the Bardwell/Sherrard family. They were volunteers here for many years; they recently had an unexpected death in their family. Also for one of our past staff families, Shipley's, as they have had 2 family members pass away also.

\*The boys will be going home for Christmas Home assignment, December 17 through January 2. Pray for fun family times, and that the boys make wise decision.

\*We need an English teacher! Do you feel called?

\*Pray for potential new boys that will be joining us in January

#### **Needs:**

\*We need funds for a gravel spreader.

#### **Praises:**

\*We have 2 boys who will complete our program, January 20<sup>th</sup>!

\*Steve & Gina Armstrong have been accepted as new staff! Please pray for them as they raise support to get here!

\* We were packed in tight, but we had a wonderful Thanksgiving! We had 4 boys' families come join us, plus most of the staff. It was cozy but fun!
